

Essay Writing

90 minute sessions for students in Grades 7-12.

This one-to-one ONLINE mentoring program will assist students to learn or build upon their skills/strategies to the essay writing process. Students will go over the various types of essays, understanding a rubric, steps to the writing process, use of graphic organizers to lay out brainstorming thoughts, ideas, research and supporting information, learn how to research effectively, note taking and citing resources correctly.

Students will learn how to take this information and transform them into coherent sentences that flow from one paragraph to the next. Each week of this program will be systematic mentoring working towards completing a 5-paragraph persuasive essay project on a topic of the student's choice
