

**10-week small group
program through a
synchronous learning
environment**

TOOLS FOR SCHOOL

Delivery: Online Program

Thursdays - September 28 - Dec 7, 2023

Time: 5:00 - 6:30pm

90 minute sessions for students in
Grades 6-12.

**FALL
2023**

- Students will come together (same grade level) to learn strategies that are helpful for those with learning disabilities and/or ADHD.
- Weekly topics in this program include: understanding how we learn, such as learning styles and our best working environment, organization and time management, memory strategies, working independently, attention and focus, note taking, research, project planning organization, studying techniques, and goal setting.
- This program is not designed for homework assistance. Each week will provide a new skill/strategy, lesson and reinforcement through activities
